**THE SURPRISE HIT
BROADWAY MUSICAL**

PUT A BUNCH OF SMASH HIT SONGS, Tony® Award nominee Douglas Carter Beane and the cutest couple in town into a Broadway musical comedy blender, and what do you get? "Heaven on Wheels" says *The New York Times*. Taking audiences back to 1980 California, this hilarious new musical follows the beautiful Kira, who travels to earth to inspire a struggling young artist named Sonny, as she helps this aspiring painter to find his voice, discover true love and build the world's first roller disco (not necessarily in that order).
